I Definitions

1. “members meeting” shall also include annual meetings and general meetings.

II Membership

A Admittance to Membership

1. The conditions under which membership will be issued are determined either by the Board, or by a Director, Officer, Member, or Committee appointed by the Board to oversee the issuance of membership.
2. A person who has fulfilled the requirements of paragraph 1 may be admitted to membership by a resolution of Board at a meeting duly called for that purpose. The Board must give notice to the “Members” mailing list at least five calendar days before the resolution is to be considered by the Board.
3. A person admitted to membership by the Board of Directors shall have no privileges until their initial dues and first monthly dues are paid. The Board may by resolution set a schedule for pro-rated dues for the first month of membership, based on the date of the member’s approval.

B Dues

1. The Board of Directors may by resolution set the dues for the corporation, which may be either or both of:
 - (a) Initial dues, i.e. dues which are payable before a person can become a member;
 - (b) Monthly dues, i.e. dues which are recurring and payable on the last day of each month (for the following month).
2. If the Board passes a resolution which raises the initial or monthly dues by more than 10%, that resolution is effective only until confirmed at a general meeting of the Corporation duly called for that purpose. Such a meeting

must be held within 30 days of the initial adoption of the resolution. If the resolution is not confirmed within 30 days, the resolution shall be rendered invalid.

C Membership Hiatus

1. A member may apply to the Board to have their membership placed on hiatus for a period of no less than two months. Such application must specify the start and end dates of the hiatus. The Board may approve a member's hiatus by resolution at meeting of the Board.
2. During the time a member is on hiatus, they are not required to pay dues, nor shall they have any of the privileges afforded a member, except for the privilege of voting at members meetings called after the hiatus was requested.
3. A member may voluntarily terminate their hiatus at any time by notifying the Board of Directors they wish to do so and paying their monthly dues for the current month. No discounts shall be given for partial months.

D Suspension or Termination of Memberships

1. KwartzLab may suspend or terminate the membership of a member by passing a special resolution (2/3 vote) at a general meeting duly called for that purpose. A suspended member shall have no privileges of membership during the time of the suspension. All dues shall continue to be assessed for suspended members.
2. A resolution under paragraph 1 is not valid unless:
 - (a) Prior written notice is given to the member setting forth the grounds on which the suspension or termination is sought;
 - (b) This notice is given to the member no fewer than 10 calendar days before the general meeting called to consider the resolution of suspension or termination;
 - (c) an opportunity is given to the member to appear, either personally or by a person authorized under the Law Society Act to represent the member, to make submissions at the general meeting called to consider the resolution of suspension or termination of that member.
3. Suspension for Minor Infractions
 - (a) The Board of Directors may suspend a member for a term of no greater than one month by resolution at a meeting of the Board duly called for that purpose if:
 - i. The member is in arrears on their monthly dues.
 - (b) A resolution under sub-paragraph a. is not valid unless:

- i. The member is given notice setting forth the grounds on which the suspension is sought (email notice shall be sufficient);
 - ii. This notice is given to the member no fewer than five calendar days before the meeting of the board of directors called to consider the resolution;
 - iii. an opportunity is given to the member to appear, either personally or by a person authorized under the Law Society Act to represent the member, to make submissions at the meeting of the board called to consider the resolution.
- (c) If the member suspended under this paragraph rectifies all the condition(s) in sub-paragraph a) for which they were suspended, the Board shall forthwith take any action required to restore that member's status.

E Should a member not pay their dues for at least two consecutive month, then after repeatedly attempting to contact said member by all methods of contact the member has provided for the membership register, including at least once by pre-paid registered mail to the address in the membership register, the Board may by resolution declare the membership abandoned. Abandoned memberships are considered terminated.
